403 Specifications

Weight:
5.0 oz.

Size:
5 in. L
2.4 in. W
1.2 in. H

Power Requirements:
0.16 amp,
12-28 VDC

Details

Alternate faceplate for 2 1/4" instrument panel mounting is included.

Characteristics

Stereo intercom features include 6-place capability, instant music muting, and pilot isolate so you can focus on your flight and eliminate backseat chatter.

Benefits:

Easy to use and designed to fit almost anywhere in the panel. All the functions you need along with superb stereo sound.

Switches provided in installation kit allow individual headphone positions to select either stereo or mono mode, allowing the use of monaural headsets.

Support:

Our service department is standing by if you have any questions. Contact us at service@flightcom.net **Two year warranty.**
