

5DX Classic

Our classic 5DX offers new features to greatly improve comfort and ease of use. How does this sound? Volume controls for each ear, a precision flex boom, soothing silicone gel ear seals, and to top it off - an improved soft, thicker polar-fleece headband pad. They look as good as they feel.

Comfortable, washable
polar-fleece headband pad

Easily adjustable headband

Soft silicon gel ear seals

Dual-volume
controls

Noise-canceling
electret microphone

Precision flex boom
adjustable for length

5DX SPECIFICATIONS

Weight

19.7 oz.

Ear Seal

- Silicone gel
- Cloth ear seal covers included

Noise Reduction Rating

22dB

Microphone

- Noise-canceling electret
- Mic muff included

CHARACTERISTICS

Comfort

The thicker, soft headband pad disperses pressure for a better feel. Silicone gel ear seals provide additional comfort and help reduce extraneous noise.

Innovation

Most people hear better in one ear than the other. With well-placed dual volume controls you can adjust each ear cup's volume as needed. The result? A smooth, even sound.

Audio Compatibility

Stereo/mono switch ensures compatibility with any intercom system.

Noise Reduction

We keep it quiet with our advanced hearing protection technology. Silicone gel seals effectively block out sound. Noise reduction rating: 22dB

No Risk

Fly 'em and try 'em for 30 days, no risk. We know you'll love your headset. If not, return it within 30 days for a full refund.

Three-year warranty.
